ABOUT US

With a humble beginning years ago, **Bugalia** has come a long way & won the confidence of a million customers. **Bugalia** presents the most lavish & beautiful Bath Fittings, Accessories and Essentials to beautify your own world, your home. The art of perfect fusion of timeless beauty with modern looks & style to suit the changing lifestyles and distinctive architecture of modern decor.

With ever improving quality of **Bugalia** bath fittings & accessories, is constantly providing & satisfying its valued customers with its innovative quality products. We ensure that right from Casting to Packaging only the best raw materials are used for manufacturing of **Bugalia** fitting.

Bugalia has evolved as a front-runner in the manufacturing and supplying of bath products. We have got an excellent production with seasoned experts in all departments. We believe that technology and innovation should not be confined only to premium ranges and we ensure that our each product should be Ergonomical, Long-Lasting and compliant with our stringent internal quality norms. Equipped with latest facilities, know how and technology **Bugalia** has developed new breed of bath products.

It is being & will be our mission to provide our customers with hassle free, quality bath products for the years to come.

PRODUCTS

We serve as the manufacturer and supplier of Luxurious Bath Fittings. Our products are developed using accurate metal compositions and advanced manufacturing techniques, which ensure the quality, durability and credibility of our range. Further, we also offer our products in various customized speculation as per the requirements of our clients and industrial application of the products. We also offer customized products as per the requirements of our clients and industrial application of the products.

VISION

Our vision is to be a world-class manufacturing enterprise employing lean and agile methods that poise us for fast, sustainable growth. We want to be a leading provider of innovative kitchen and bathroom solutions. With brand **Bugalia**, we have stayed true to our mission of constant improvement and innovation. It is also our vision to be a complete water solutions provider.

QUALITY

Quality and perfection are the driving forces at our organization, that are actively taken care while manufacturing our offered products. For the production of these products, we have used best quality factor inputs that are obtained from reliable vendor base. We always maintain quality in the following process like basic component procurement, processing, packaging and so on. In addition, our range also undergoes through a strict quality check procedure that ensure that its high quality standards. The quality procedure followed at our end also satisfies our international clients.

INFRASTRUCTURE

We have established well developed infrastructure equipped with latest technology and advanced machinery, quality testing and warehousing facilities. Our infrastructure is divided into various sections to maintain the flow of work. Therefore, it helps in implementing proper coordination enabling efficient business activities.

RESEARCH & DEVELOPMENT

We possess a well equipped research and developed unit managed by experts who conduct various experiments and researches on essential matters. Due to their untiring efforts, we are able to reach to the heart of our clients across the globe. Customer's complaints, market survey and feedback from periodic market research, etc. provide inputs to our experts with which they redesign and develop products according to latest trends and client's requirements.
