ABOUT US

Welcome to
NEOLAXE, the world of Laminates for The Interior Segments.

NEOLAXE, Sound infrastructure with state-of-the-art machineries, facilities and a highly experienced, skilled and trained workforce is enable to produce best in class HPL.

NEOLAXE created history in the Indian laminate manufacturing industries by starting it's plant in very short time which one can not imagine, Yes its true. NEOLAXE Laminate started its plant in just 163 days. Before that NEOLAXE was just a name on the paper.

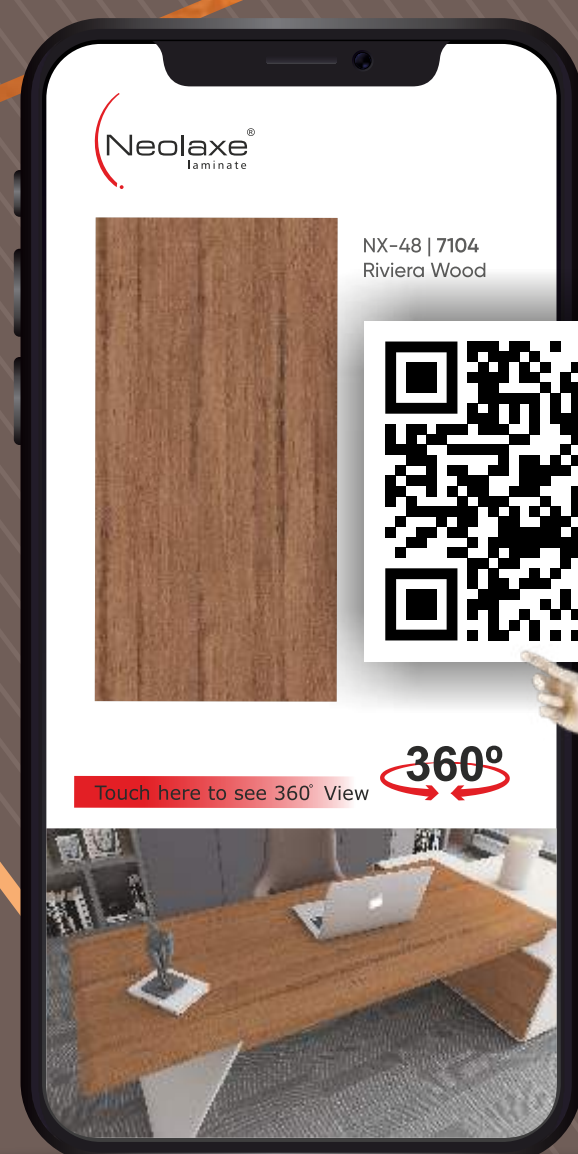

We have committed ourselves to uphold the highest manufacturing standards, a practice that has earned all our facilities pertinent certifications that includes CE & IS:2046.

NEOLAXE continuously focuses & is dedicated towards continuous innovation and improvement resulting in premium laminates which have wide range of Designs, Wood Textures, Colors & Finishes.

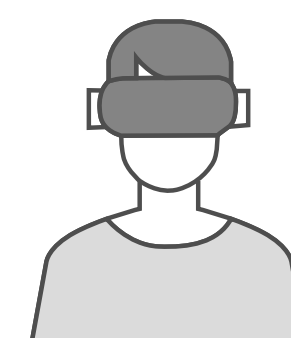

SCAN QR FOR LIVE APPLICATION

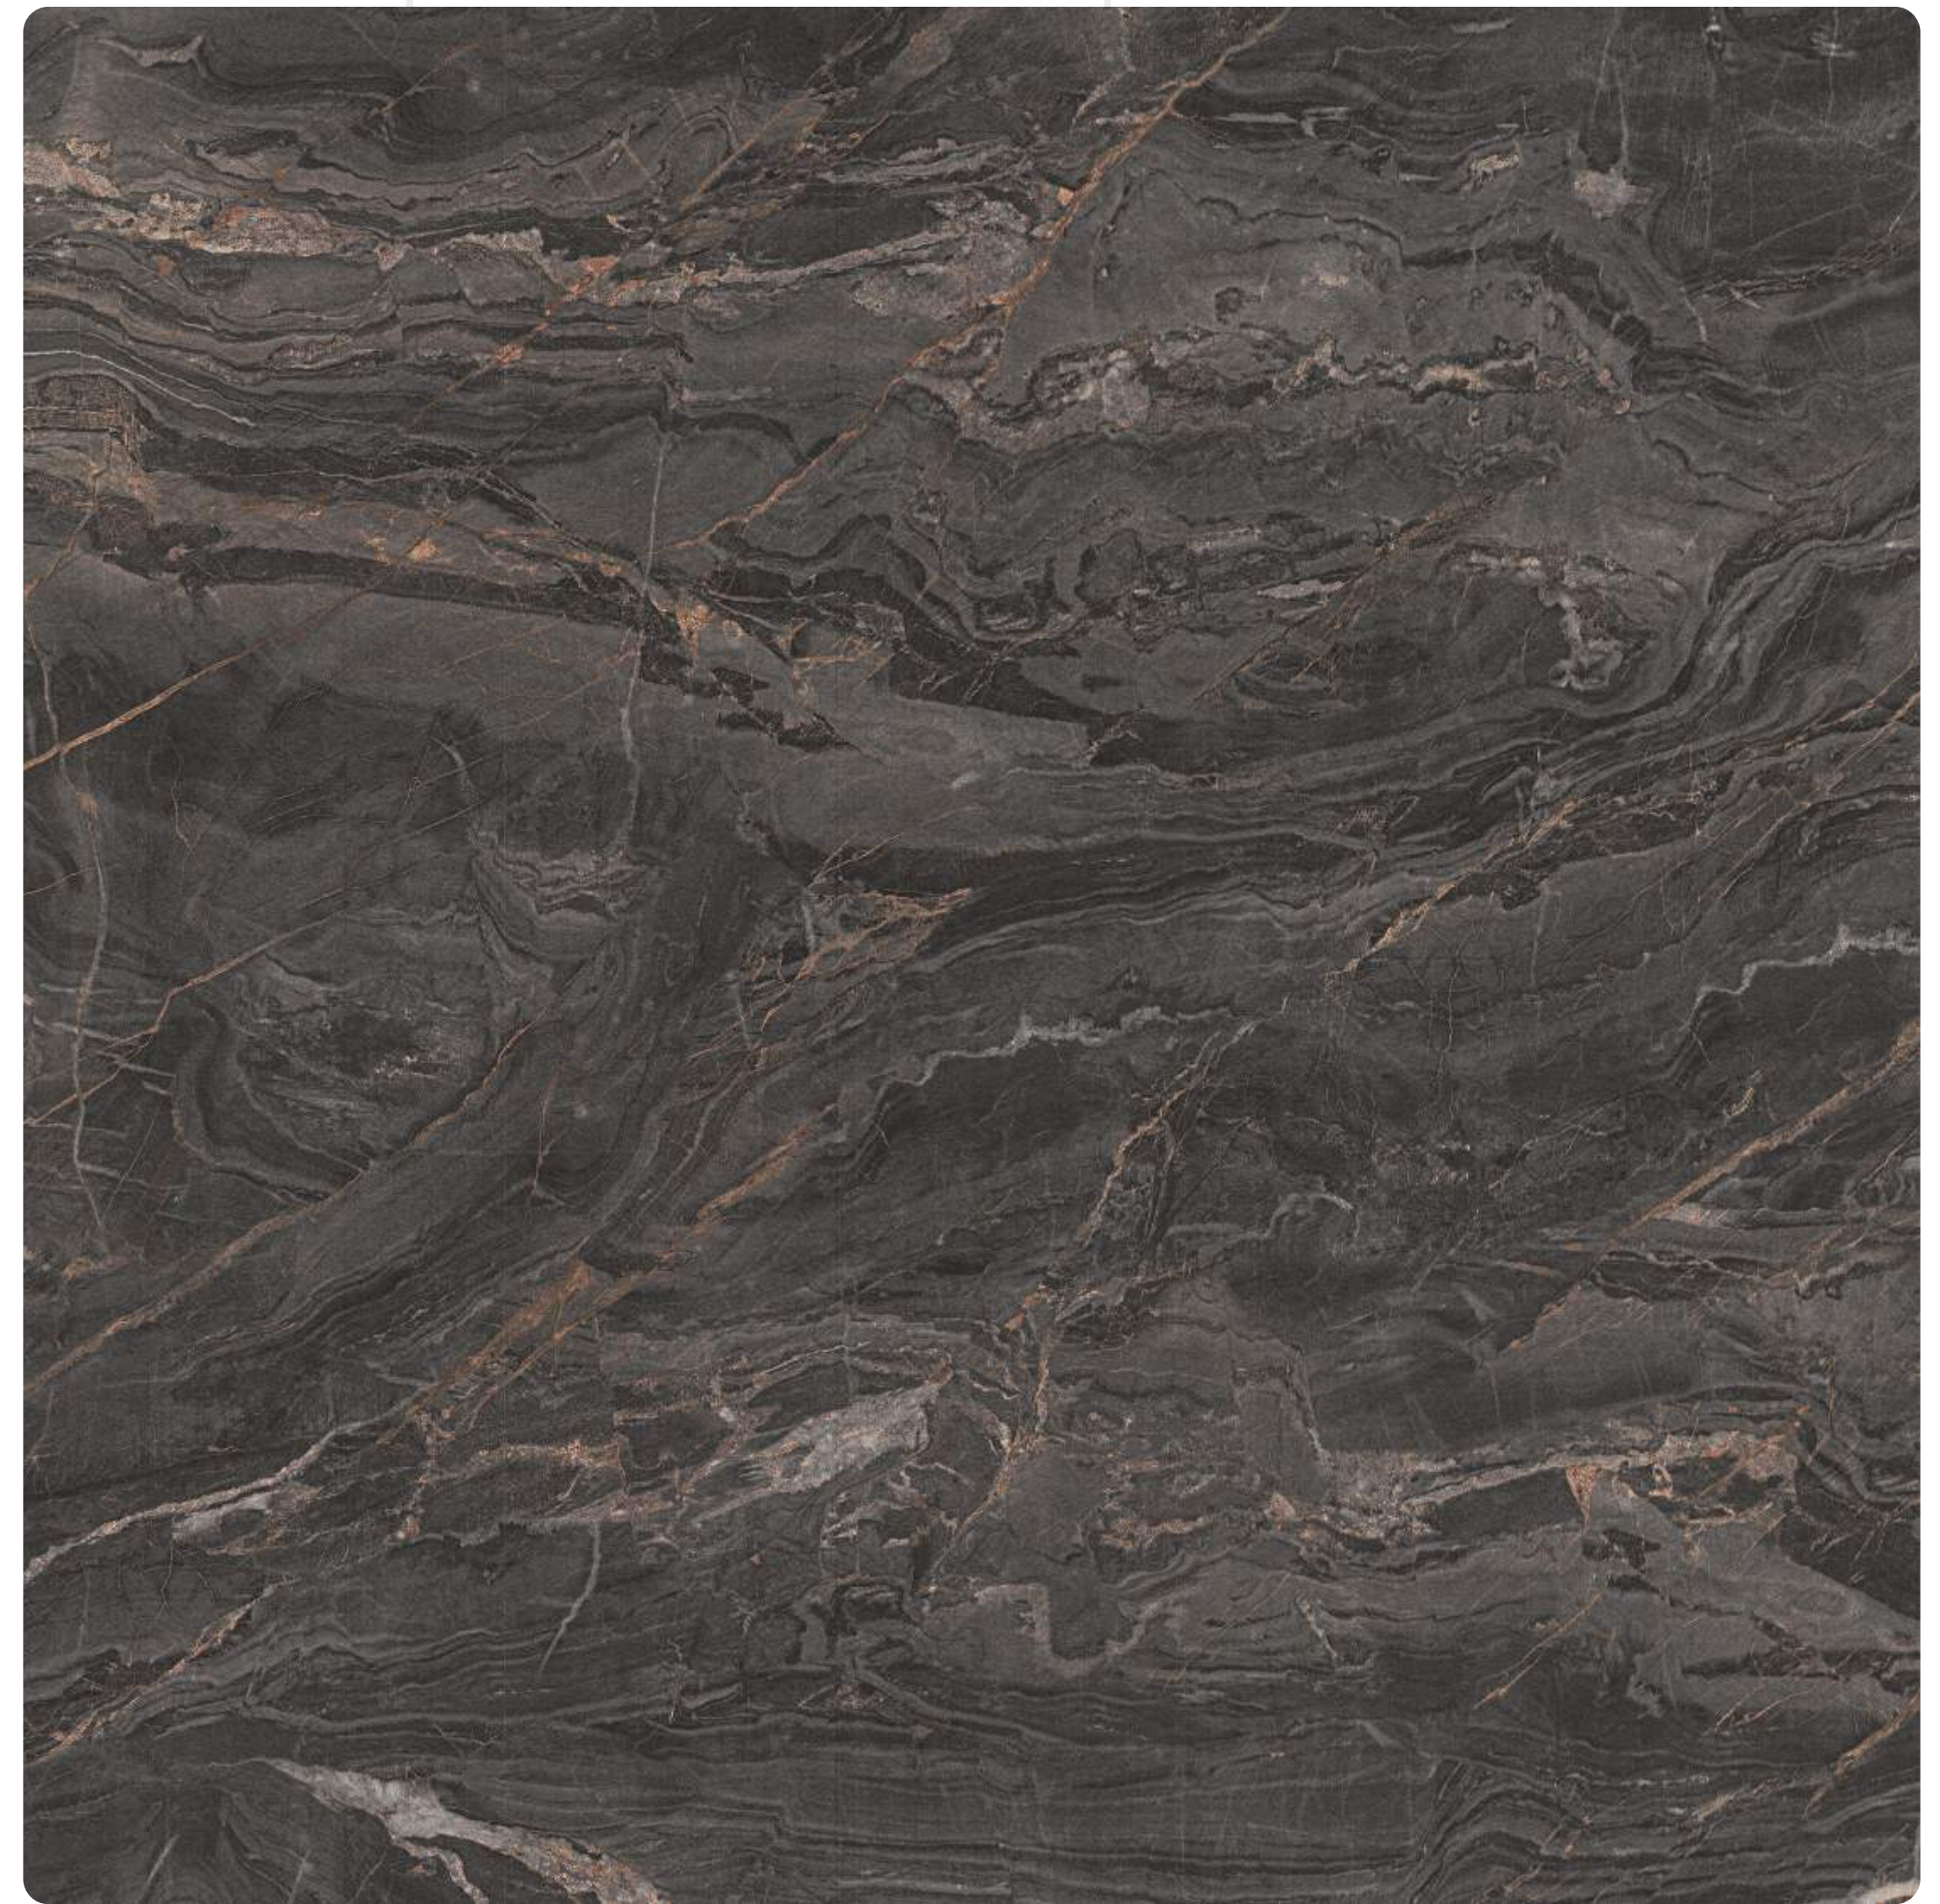

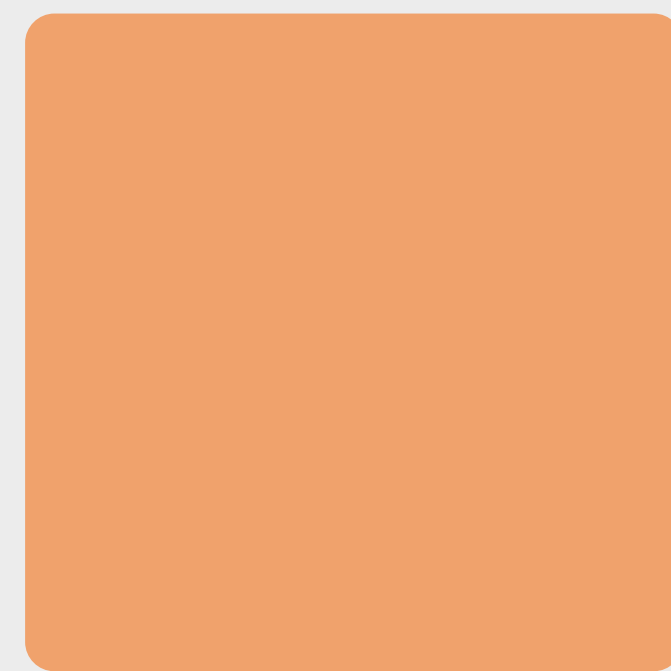

Step into the realm of convenience and excitement with our revolutionary virtual product experience. Dive into a world of innovation by scanning the QR code and unlocking an immersive 360-degree view of our breathtaking laminate catalogue. Explore the boundless possibilities and intricate details from every angle, and let your imagination soar as you discover the unparalleled beauty of our collection.

360° VIEW OF PRODUCT

Embark on a visionary voyage into the future of product discovery through innovative coding technology. Simply scan the QR code to immerse yourself in a mesmerizing 360-degree vista of our expansive laminate collection. Delve into the intricate hues of dunak and vitarant, marvel at the exquisite patterns, and unlock a world of boundless inspiration from every angle. Prepare to be enchanted as you set sail on a visual odyssey that breathes life into the timeless beauty of our laminates, infusing your world with vibrant elegance.
