Brief Profile of Company...

Texmo Pipes And Products Limited is India's leading Polymer Water Tank, Pipes & Fittings manufacturing company. Over 1000 employees are guided by the mission to be passionate in anticipating and providing the best services and experiences that excite our customers Nationally & Internationally.

Established in 1988 and converted to a limited company in 2008, Texmo Pipes And Products Limited presence cuts across the length and breadth of India. Across the country, Texmo Pipes plys on Agriculture Lands, Irrigation, Domestic and Industrial Purposes since it rolled out in 1988. The company's manufacturing base in India is located at Burhanpur in Madhya Pradesh. The company's dealership, sales, services network comprise over 500 touch points. Texmo Pipes And Products Limited listed in the BSE & NSE October 2010, has emerged as a Public Limited company. Texmo Pipes And Products Limited is also expanding its international footprint through exports. The foundation of the company's growth over the last two decades is a deep understanding of economic stimuli and customer needs, and the ability to translate them into customer – desired offerings through leading edge R&D.

Texmo Pipes And Products Limited is equally focussed on environment friendly technologies in manufacturing processes, significantly enhancing resource conservation.

Texmo Pipes And Products Limited is committed to improve the quality and ensure prompt delivery of good quality material as per requirements in standard specifications. Texmo Pipes also assures that you shall be more than satisfied to do business with company. Company's Internal Quality Control (I.Q.C.) Team exerts direct Control at stage of manufacture and process right from raw material stage process to final product inspection. This team monitors and maintain document recording, history of materials. At all stages of manufacturing, a wide variety of certified measuring and checking devices are utilized to assure conformance to all applicable quality standards. A final inspection is made after completion of manufacturing to ensure better quality products and assure that PVC Pipes, HDPE Pipes & Fittings meet or exceed all codes and standards established by these governing bodies (BIS) Bureau of Indian Standards, (ASTM) American Society For Testing and Materials, (MSS) Manufacturers Standardization Society, (ASME) American Society for Mechanical Engineers & (BS) British Standards.

"Texmo Pipes and Products Limited", shall at achieving and sustain excellence in all its activities and are committed to total customer satisfaction by providing products and services which meet or exceed the customer's expectation. Modernization, stress on Technological innovation and training of employees at all levels is a continuous process. A motivated workforce with a sense of pride in the Texmo Pipes leads us towards' TOTAL QUALITY.

SANJAY AGRAWAL
MANAGING DIRECTOR

Message From M.D. Desk

It is Our Continuous endeavor to offer best quality products and services to the highest level of customer satisfaction through total quality management, product development and product customization techniques & services by implementing latest technological process.

We are marching towards our goal in this global competitive environment following the path of Ethics, Values, Dedication and management excellence.

We have proud distinction of offering widest possible range of Pipes & Fittings for Industrial, Construction, Real Estate, Agriculture and Household application.

Customer care is one of the central aspects of our organization culture. Total customer satisfaction is the only success formula that can carry us far in this competitive market. Our mission is to mitigate the risk and reduce cost by delivering innovative new solutions that allow the company to overcome challenges in today's ever-evolving business environment.

FOR QUALITY ASSURANCE

a. Awarded Quality Assurance Certificate from **Bharat Sanchar Nigam Ltd..**

b. Posses following **ISI** Certificates granted by **Bureau of Indian Standard (BIS).**

- 01) **IS 4985 : 2021** (For Rigid PVC Pipes & Elastomeric Sealing Ringfit Pipes).
- 02) **IS 7834 : 1987** (For PVC Agriculture Fittings).
- 03) **IS 12818 : 2010** (For Plain and Ribbed Screen Casing Pipes).
- 04) **IS 12701 : 1996** (For Roto Moulded Water Tanks).
- 05) **IS 4984 : 2016** (For HDPE Pipes).
- 06) **IS 15265 : 2003** (For Suction Hose).
- 07) **IS 15778 : 2007** (For CPVC Pipes)
- 08) **IS 15328 : 2003** (For SWR Pipes for Underground Drainage & System).
- 09) **IS 13592 : 2013** (For UPVC Pipes for Soil & Waste discharge System inside building including Ventilation and Rainwater System).
- 10) **IS 14735 : 1999** (For UPVC SWR Fittings).
- 11) **IS 17425 : 2020** (For Sprinkler Pipes).
- 12) **IS 12232 : 1995** (For Sprinkler Fittings).
- 13) **IS 12786 : 1989** (For Online Drip Laterals).
- 14) **IS 13488 : 2008** (For Inline Drip Laterals).
- 15) **IS 13487 : 1992** (For Online Drippers (Emitters)).
- 16) **IS 14743 : 1999** (For Hydro Cyclone Filter).
- 17) **IS 12785 : 1994** (For Strainer type Filter).
- 18) **IS 14483 : 1997** (For Venturi Injector).
- 19) **IS 14606 : 1998** (For Media Filter).
- 20) **IS 14885 : 2022** (For Gas Pipes)
- 21) **ASTM D1785** (For UPVC Plumbing Pipes)
- 22) **ASTM D2467** (For UPVC Plumbing SCH-80 Fittings)
- 23) **ASTM D2846** (For CPVC SDR-11 Fittings)
- 24) **ASTM F 439** (For CPVC SCH-80 Fittings)
- 25) **ASTM F441** (For CPVC SCH-80 Pipes)
